THORPE IN THE GLEBE

no Reported Crime (last Month no Reported Crimes)

Very similar Crime figures to the previous Month again, but we are still being hit by house burglary.
As you can see insecurities have been present on a few of these.

Offenders only need a couple of minutes!

Think security all the time.

It is likely that these offenders have tried other houses looking for insecurities, but move on to the next
when doors & windows are locked.

Keep your doors locked and consider increasing security to prevent rear access to your properties.

Being a victim of Burglary can change your life. We want to catch these criminals. We need your help. Report ANYTHING OR ANYONE that you feel could be suspicious - immediately. Don't leave it to someone else and don't think you will be wasting our time. I would prefer to attend dozens of suspicious calls to one Burglary victim.

Why not start up a Neighbourhood Watch Scheme on your Street?

Some villages/areas have already done this and are very active in reducing crime in their areas. Keyworth has very few streets covered by Neighbourhood Watch. I urge you to please give this some serious consideration. It need not take up much of your time, but it does work. We are still a village, lets start protecting ourselves and our property?

To find out more or to join the scheme contact the Main Co-Ordinator Bill Donaldson on 0115

KEYWORTH CONTACT POINT

Keyworth Contact Point is now operational but it will not be constantly staffed. As a guideline Officers are more likely to be in the station between 8am – 9am and 3pm – 5pm, but this will depend on operational commitments and shift patterns.

The direct telephone is 0115 9141621

Rushcliffe South has a new LAC Inspector, Jeff HAYWOOD as Glenn Harper has been promoted and is now at Worksop. Sgt Dave Roberts has also retired and we await his permanent replacement. During the short term Sgt 564 Harvey Smedley is in Post and both are working from Bingham.

-------------------------------------	---

On a personally sad note, I now hand the 'reigns' back to Pc Emma Thacker as I return to other duties.

Emma returns to her Job as the Keyworth Beat Manager from 21st June after several months' maternity leave.

I have very much enjoyed working the 'Keyworth Beat' and to serving my own Community.

I feel that excellent working relationships have developed with the Key Individuals and Authorities of the various villages.

I thank you for all your support and putting up with me over the past few months.
