It seems that we have suffered this month with Burglary dwellings. 60% of which were through insecurities. Please be vigilant, close and lock all doors and windows making use of light timers and alarms should the premises be vacant.

Car crime continues to be a problem all over Rushcliffe South and still the cars targeted are those with property on display within. Please secure items in the boot and take valuables with you. The majority of cases are in Public car parks day and night. Car crime amounts to almost half of all crime on our patch so please be vigilant.

In relation to crime prevention advise then please contact me or the new Crime Prevention Manager, Pete Ainley based at Bingham Police Station on 0115 9455999 ext 6262.

The health Centre is now open and as is the car park on Bunny Lane. Hopefully this will alleviate some of the parking complaints in Keyworth.
