Keyworth contact Point is now manned every Tuesday between 0900-1600 by a fully qualified front counter clerk. This is on a trial period depending on the demand. Please use her and we then might have an argument to keep her!! Even if it's just for a quick chat/hello whilst passing!

If you would like any crime prevention advise then please contact me or the Crime Prevention Manager, Pete Ainley based at Bingham Police Station on 0115 9455999 ext 6262. Please stay vigilant and perhaps consider a shed alarm. It might be advisable to try and make your house look 'lived in' when you are away by using light timers and approaching neighbours to assist with bins and curtains!

It appears that there has been a slight increase in house burglaries in the area and also vehicle crime. Please remain vigilant & if you can offer any further information then please contact me directly.

With the evenings getting lighter and warmer then please let me know about incidents surrounding anti social behavior in order that we can address it in the early stages.

I will be holding a Local Area Group Meeting in Keyworth and the surrounding villages where members of local Parish, Borough and County Council will also be in attendance. This is your opportunity to raise your specific priorities for the area in which you live to enable us to focus our attention as a group to problem solve your issues. We hold meetings every 6-8weeks. If you would like to attend then please contact me directly, either by mobile, email or visit to the Police Stn.

If you are ringing to report a crime then please phone 0115 9455999 and speak to the force control room. They will allocate your query appropriately.

The health Centre is now open and as is the car park on Bunny Lane. Hopefully this will alleviate some of the parking complaints in Keyworth. This includes the undercover area and the disabled bays close to the Police Station.

Make sure you continue to avoid the double yellow lines! Kylie Wimbledon the community officer can be contacted on 07756 777716.

The Contact Point, situated in The Square, Keyworth is now open. It is manned whenever Kylie or I are in the Station each day we are on duty.
